Our Mercator Nitrile Gloves are an excellent example of a Blue Nitrile glove which are suitable across all industries and applications.

They are classed as a Medical Device and not just PPE and are certified to EN455 1, 2, 3 and 4. With EN374 Type B also certified, you can be sure of the quality.

Tested against 37% Formaldehyde (T) and Chemotherapy Safe being tested against nine Chemotherapy drugs, these gloves offer paramount protection, as well as being Food Safe.

Our Mercator gloves are the most versatile glove on today's market, offering supreme quality, excellent protection and at a competitive price.
