Spill Tray

Product Code: HDPS378

Ensure that liquid substance spills are kept to a minimum and are safely contained, by using our spill and drip trays to do the work for you. Ideal for storage, but more importantly the drip trays will keep your working environment safer and cleaner. Polyethylene construction is resistant to most substances and easy to clean. Can be used with or without removable platform, which is non-slip to prevent movement of drums/containers.

Designed to fit on Euro pallets.
