Oil-Only Heavyweight Absorbent Roll

Product Code: HOR125

HUG Heavy Weight Oil Only Absorbent Rolls are best suited for protection of aisles and walkways around machinery. Lengths can be laid down to absorb overspray and prevent transfer of workshop soiling to office areas. They are also an ideal solution for larger spills as they are perforated every 500mm for maximum economy. Absorbent rolls can also be used in roll dispenser stands, to help improve housekeeping.
