

Mobile Poly Spill Station / Storage Cabinet

Product Code	HPY341	Colour	Yellow
Dimensions	725 x 640 x 1075mm	Number of Items	1
Sump Capacity	45 Litres		

A fully mobile lockable storage cabinet which can be wheeled quickly from location to location making ideal for first responders or maintenance staff who work across different locations.

Rotationally moulded from durable polyethylene this fully mobile (two large fixed rear wheels and two front, swivel and lockable castors) cabinet is fitted with a lockable door, comes complete with a height adjustable shelf and a recessed top (18ltr capacity) which can act as a temporary spill tray in situations when you have a damaged or leaking small container to contend with.
