The Hydepark Shadow Board range can be fully customised with equipment to suit your facility's specific needs. Positioned in key locations across your site, these boards can be mounted internally, externally, or on mobile stands, ensuring the right tools are always available at the point of use. They promote clarity and efficiency by making it easy to find and return equipment, whether during shift changes or maintenance tasks.

We can also incorporate your company logo, and supply colour-coordinated tools and equipment to align with your hygiene standards, site colour coding, or branding. Speak to our team to find out how these boards can help create a cleaner, safer workplace while protecting your reputation.
